

BROOKS BENTON, PE

Manager of Civil Engineering

Brooks Benton leads our Civil Engineering Discipline, bringing over a decade of experience in designing practical, innovative, and sustainable civil engineering solutions. He has been a valued member of the Lockett & Farley team since 2013 and holds a master's in civil engineering from the University of Louisville. Brooks' expertise spans a wide range of civil engineering projects, and his leadership ensures that each project meets the highest standards of quality, functionality, and client satisfaction.
